

REMARKS/ARGUMENTS

In response to the Examiner's final Office Action of August 21, 2007 issued in the present RCE application, the Applicant respectfully submits the accompanying Request for Continued Examination and Amendment of the claims, and the below Remarks.

0434 607 998 Eddie

Regarding Amendment

In the Amendment:

independent claims 1 and 5 are amended to clarify that the housing itself is deformable where the housing is larger in the non-deformed state. Support for this amendment can be found in Figs. 35-42 and at page 22, line 10-page 23, line 18 and page 27, line 21-page 28, line 4 of the present application; and

dependent claims 2-4 and 6 are unchanged.

It is respectfully submitted that the above amendments do not add new matter to the present application.

Regarding 35 USC 102(e) Rejections

It is respectfully submitted that the subject matter of amended independent claims 1 and 5, and claims 2-4 and 6 dependent therefrom, is not disclosed by previously cited Pan, because the housing disclosed by Pan is clearly not deformed between non-deformed and deformed states, where the housing is larger in the non-deformed state, as is required by the claimed invention.

It is respectfully submitted that the Examiner's rejections have been traversed. Accordingly, it is submitted that the present application is in condition for allowance and reconsideration of the present application is respectfully requested.

Very respectfully,

Applicant/s:
